

RECOGNIZES YOU

Fun is making your face your password on the affordable Lenovo G455 Dual-Core¹ notebook with VeriFace™ face recognition.

The Lenovo® G455 notebook can recognize you by sight, thanks to VeriFace™ face recognition—so you don't have to remember passwords. Little wonder it's so smart, as it comes with up to an AMD Turion™ II Dual-Core Processor¹, making everyday tasks faster and smoother. With high-definition graphics support as standard, and an integrated DVD reader/burner, this 14" affordable widescreen notebook is the complete package for entry-level portable computing. The Lenovo G455 also includes Lenovo Energy Management 5.0 which protects the long-term life of the battery by preventing unnecessary recharges, and uses advanced energy-saving technology to increase time spent away from the power socket.
