

Mini 2102 Mini Manager

Featuring a 10.1-inch diagonal display, an integrated webcam⁹ and the latest technologies to keep you productive on the go, the HP Mini 2102 helps you maximize your mobility.

Windows[®]. Life without Walls[™]. HP recommends Windows 7.

Affordability meets mini

The HP Mini 2102 is the economical choice for mobile professionals who need a companion PC for on-the-go computing. In classic black and sporting a 92% full-sized keyboard, mobile professionals can accomplish more with its lightweight design, while students benefit from a mini that can easily be carried in a backpack. The HP Mini 2102 with a 2.5-inch hard drive³ has a starting weight of only 2.69 lb/1.22 kg.⁶

Video-enhancement included

Experience video, still-image capture, web conferencing, or video-enhanced instant messaging with no additional hardware to buy or carry. The integrated VGA webcam,⁹ analog microphone and stereo speakers enable both video and still-image capture so you can add photos and video clips to presentations, documents and e-mail.⁹ Business professionals can conduct video conferences on the road, while students can use the multi-media suite to unleash their creativity in the classroom. How's that for powerful media in a companion PC?

Stay productive

Corel Home Office is a sleek office suite for word processing, spreadsheets and presentation projects. Similar to the office

suites you've used before, it lets you quickly prepare, edit and present great-looking letters, reports, charts, quotations, memos and mailings. It's pre-installed on your HP Mini at no extra charge!

Life on the move

With Wi-Fi CERTIFIED[™] WLAN⁴ you can send and receive e-mails or access the Internet – at work/school, at home and at your favorite hotspots. Optional integrated HP Mobile Broadband powered by Gobi⁵ allows you to conveniently access the internet, intranet, and e-mail, in more places than ever before.

Flexible battery solutions .

The HP Mini 2102 offers two optional⁴ battery solutions for lightest weight configurations or all-day computing. Choose from the 3-cell or 6-cell battery options to maximize your mobility.

THE COMPUTER
IS PERSONAL
AGAIN.

Mini 2102

Windows®. Life without Walls™.
HP recommends Windows 7.

1. This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details
2. Microsoft® Office 2007 is a trial version; functionality is reduced after 60 days. The full version is sold separately.
3. Intel's numbering is not a measurement of higher performance.
4. Wireless access point required and is not included. Wireless Internet use requires separately purchased Internet service contract. Availability of public wireless access points limited.
5. WWAN/Gobi wireless technology requires separately purchased wireless data service contracts. Check with local service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other factors
6. Weight will vary by configuration.
7. Sold separately or purchased as an optional feature
8. GB = 1 billion bytes. Actual formatted capacity is less. Up to 8GB (for XP) and up to 16 GB (for Windows 7) of system disk is reserved for system recovery software.
9. Internet service required.
10. The Computrace agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging from one to four years. Service is limited, check with Absolute for availability outside the U.S.
